Winter Charm at Hotel Chéribourg - 3 days / 2 nights

Day 1

Arrival at hotel.

The Chéribourg offers you stays in rooms or suites which are divided into 2 sections - garden side and pavilion side. The rooms on the garden side are located slightly set back from the main building and are surrounded by magnificent trees and flowers in season – great pathways lead through the garden area. The pavilion side rooms are located in the main building of the hotel and are spread over 3 floors.

Once you are settled in your room, why not visit the legendary Vieux-Magog to check-out its beautiful little boutiques or take a stroll in the Cherry River Marsh?

When it is time to eat, take advantage of a gift certificate worth \$20 at the Microbrasserie La Memphré. We suggest the tasting tray with of 4 different beers (value of \$9.50).

Day 2

Breakfast at the hotel.

If you want to explore some of the sights in the area, head to Valcourt to visit the Armand Bombardier Ingenuity Museum and the reserve. Discover different facets of Joseph-Armand Bombardier, from the nature protector to the entrepreneur and the father of a daughter. Discover how Joseph-Armand Bombardier and his team succeeded in developing vehicles that float on snow to the point of inventing a new winter leisure activity.

Or perhaps, discover the Abbey of Saint-Benoit-du-Lac, a monastery overlooking Lake Memphremagog. A wide variety of products are made by the monks at the Abbey and are offered in the store - cheeses, ciders, compote, jelly, apple butter. Why not stop at the Township Soap Factory, the only Castilian soap manufacturer in North America to shop.

However, if you prefer a winter activity, the 2.8 km icy trail, located in downtown Magog, forms a 2.5 km circuit and runs alongside the pedestrian trail while skirting Lake Memphremagog. It is illuminated at night, and a heated shelter is available at each end where skaters can put on their skates.
