### Day 1

Arrival at hotel.

The Manoir des Sables offers pleasantly decorated rooms and suites, including wireless internet. In addition, some rooms have a fireplace and whirlpool bath, to relax and enjoy your vacation.

Before dinner, why not visit the legendary Vieux-Magog with its beautiful little boutiques or take a walk in the Marais de la Rivière aux Cerise's.

When it is time to eat, take advantage of the gift certificate worth \$20 at the Microbrewery La Memphré. We suggest the tasting tray featuring 4 different beers (value of \$9.50).

**Overnight: Manoir des Sables Hotel**

### Day 2

Breakfast at the hotel.

If you want to explore some of the sights in the area, head to Valcourt to visit the Armand Bombardier Ingenuity Museum and the reserve. Discover different facets of Joseph-Armand Bombardier, from the nature protector to the entrepreneur and the father of a daughter. Discover how Joseph-Armand Bombardier and his team succeeded in developing vehicles that float on snow to the point of inventing a new winter leisure activity.

Or perhaps, discover the Abbey of Saint-Benoit-du-Lac, a monastery overlooking Lake Memphremagog. A wide variety of products are made by the monks at the Abbey and are offered in the store - cheeses, ciders, compote, jelly, apple butter. Why not stop at the Township Soap Factory, the only Castilian soap manufacturer in North America to shop?

However, if you prefer a winter activity, the 2.8 km icy trail, located in downtown Magog, forms a 2.5 km circuit and runs alongside the pedestrian trail while skirting Lake Memphremagog. It is illuminated at night, and a heated shelter is available at each end where skaters can put on their skates.
