Winter Getaway in Estrimont - 3 days / 2 nights

Day 1

Arrival at hotel.

L'Estrimont Suites & Spa offers you a spacious ensuite living room with fireplace, balcony and kitchenette as well as access to all the services and activities of the establishment.

Once you are settled in your room, why not visit the legendary Vieux-Magog to check-out its beautiful little boutiques or take a stroll in the Cherry River Marsh?

When it is time to eat, take advantage of the gift certificate worth \$20 at the La Memphré Microbrewery. We suggest the tasting tray with 4 different beers (value of \$9.50).

Overnight: L'Estrimont Suites and Spa

Day 2

If you want to explore some of the sights in the area, head to Valcourt to visit the Armand Bombardier Ingenuity Museum and the reserve. Discover different facets of Joseph-Armand Bombardier, from the nature protector to the entrepreneur and the father of a daughter. Discover how Joseph-Armand Bombardier and his team succeeded in developing vehicles that float on snow to the point of inventing a new winter leisure activity.

Or perhaps, discover the Abbey of Saint-Benoit-du-Lac, a monastery overlooking Lake Memphremagog. A wide variety of products are made by the monks at the Abbey and are offered in the store - cheeses, ciders, compote, jelly, apple butter. Why not stop at the Township Soap Factory, the only Castilian soap manufacturer in North America to shop.

However, if you prefer a winter activity, the 2.8 km icy trail, located in downtown Magog, forms a 2.5 km circuit and runs alongside the pedestrian trail while skirting Lake Memphremagog. It is illuminated at night, and a heated shelter is available at each end where skaters can put on their skates.

Overnight: L'Estrimont Suites and Spa.

Why not take advantage of your last morning to do shopping at one of the many artisans of the region such as La Grange du Parfumeur, La Fromagerie des Cantons or La Pinte, la Savonnerie des Diligences or the many antique dealers in the area?
