Day 1

Arrival at the Auberge du Lac à l'Eau Claire. Take advantage of the afternoon to relax in the health area of the Auberge. The swimming pool is without a doubt one of the most beautiful in all of Quebec. Located indoors, the enticing pool tempts you to take a dip and wade about, relax, or swim a few laps. Its semi-Olympic size is as impressive as its magnificent views of Margaret Island.

Your visit to the wellness centre would not be complete without indulging in the whirlpool bath, the ice water pool (4° Celsius), the hammam (steam bath) or the Finnish bath! Taking inspiration from Nordic tradition, heat therapy can be truly invigorating.

Today, head to the Microbrasserie de la Nouvelle-France for a tour of this unique establishment. A pioneer in gluten-free beer, this Microbrewery stands out with its La Messagère beer, the very first in North America created to satisfy the intolerant and sensitive to gluten. You will take a guided tour of the Microbrewery which will end with a tasting of four beers.

Return to Auberge du Lac à l'Eau Claire and the rest of your day is free to enjoy the site and activities.

Pedalos, canoes, kayaks or even stand up paddle boards (SUP) will allow you to discover the lake to its full extent! Choose the boat that suits you (one hour rental included in your package) and let yourself be gently rocked by the waves of the lake. At the same time, you will be able to observe loons, ospreys, herons and sawbills which regularly visit this corner of paradise with its fifteen lakes.
