Day 3: Queenstown – Milford Sound

It's an early start today as you meet your coach for the full day Milford Sound Cruise. Milford Sound, situated on the west coast of the South Island, is a world-renowned natural wonder with towering peaks, cascading waterfalls and amazing wildlife.

Take the time to enjoy the best of Milford Sound aboard either the Milford Haven, Milford Mariner or M.V. Sinbad. Exploring the length of the fiord you'll learn about the history of the region and benefit from the knowledge of your specialist nature guide. Experience the cool spray of a waterfall as you move in close to sheer rock faces or watch out for dolphins, seals and, in season, the rare Fiordland crested penguins.

The experienced skippers tailor the cruise to take into consideration weather and recent wildlife sightings,

ensuring you'll see the best that Milford Sound has to offer on the day.

Informative, participative and relaxed, this is the perfect way to experience what's been called the "eighth wonder of the world".
