**Megaliths, medieval dungeons and Calypso's Cave – The Maltese Islands are positively mythic. The narrow meandering streets of their towns and villages lead to the main square, which is invariably dominated by the huge baroque church. As the countryside is dotted with medieval towers, wayside chapels and the oldest known human structures in the world, the Islands have rightly been described as an open-air museum.**

Malta is the largest island and the cultural, commercial and administrative centre. Gozo is the second largest island and is more rural, characterised by fishing, tourism, crafts and agriculture. Comino, the smallest of the trio, has one hotel and is largely uninhabited.

The Maltese archipelago lies virtually at the centre of the Mediterranean, 93 km south of Sicily and 288 km north of Africa. The archipelago consists of three islands: Malta, Gozo and Comino with a total population of over 400,000 inhabitants occupying an area of 316 square kilometers.

With superbly sunny weather, attractive beaches, a thriving nightlife and 7,000 years of intriguing history, there is a great deal to see and do.

Upon arrival, you will be transferred to the lovely Dolmen Hotel which is situated along the beautiful Qawra coast of St. Paul's Bay and enjoys amazing sea views. Your hotel is only a short walk from the Malta National Aquarium, Bugibba Square and minutes away from the towns of St. Julian's and Valletta, Malta's capital.

## Malta Long Stay - 21 nights

The Dolmen is a resort style hotel with 488 rooms, multiple pools, great restaurants and a casino on site. Whether you choose the Standard Inland View Room or opt to upgrade to the Guaranteed Seaview Room, you will not be disappointed in the amenities offered in each room.

Our destination representative will meet with you usually on the day after arrival to discuss the hotel facilities, the location of the stores you might need and to offer a range of day tours that can be booked. As a value-added bonus, this package contains a half day tour to Mdina, Malta's former capital. The narrow, winding streets, dating back

to the Arab period, lead to the imposing bastions, commanding a panoramic view of the islands. Time stands still in this "Silent City" which is a filmmaker's paradise.

At the end of this amazing holiday, you'll go home with some fabulous memories that will last a lifetime.
