27 February : Bangkok

Breakfast at the hotel. To discover the way Bangkok used to be, travel approx. 100 km. outside of Bangkok, to the Damnoen Saduak Floating Market with its many colors, flavors and exotic fragrances. Start with a scenic ride on a narrow longtail-speedboat, passing riverside villages and fruit plantations, before entering the vibrant market. There will be many photo opportunities along the way and on the colorful market on the water. Afterwards return to Bangkok.

Lunch will be at a local restaurant. The Grand Palace is a "must see" for every visitor to Bangkok. Located close to the banks of the Chao Phraya (The River of Kings) the Grand Palace is the perfect example of an ancient Siamese court. Within the compound is the "Temple of The Emerald Buddha" (Wat Pra Kaew), which houses Thailand most precious image of the Lord Buddha. The Emerald Buddha is believed to have supernatural powers and is dressed in robes according to the season by the King of Thailand himself.

Important: Please note that you are required to wear proper attire (no bare shoulder, bare knees or strapless-heel shoes). Shoes must be removed before entering all temple buildings.
