Mauricie is an ideal location for a family vacation or a quick 3-night getaway with friends. Although it is only 90 minutes from Montreal or Quebec City, the magnificent scenery and peaceful atmosphere will leave you wishing you could stay longer.

We have designed a 3-night package that includes a variety of activities that will help you enjoy the beautiful cold season.

## Day 1

Arrival at the Auberge du Lac à l'Eau Claire. Take advantage of the afternoon to relax in the health area of the Auberge. The swimming pool is without a doubt one of the most beautiful in all of Quebec. Located indoors, the enticing pool tempts you to take a dip and wade about, relax, or swim a few laps. Its semi-Olympic size is as impressive as its magnificent views of Margaret Island.

Your visit to the wellness centre would not be complete without indulging in the whirlpool bath, the ice water pool (4° Celsius), the hammam (steam bath) or the Finnish bath! Taking inspiration from Nordic tradition, heat therapy can be truly invigorating.

Dinner.

**Overnight: Auberge du Lac à l'Eau Claire**
