River Cruise – No permit or experience needed

The water is a way of life in Holland - a nation born of the sea and the rivers that flow across its pastoral flat lands. On an Amsterdam canal, you will cruise leisurely past turning windmills, fields of colorful tulips, quaint villages, and cosmopolitan cities. It's a place to explore at your own pace, inviting you to ease into an unhurried journey like no other.

Days 1 to 7 : Amsterdam – Vinkeveen – Cruising

After arriving at Amsterdam Airport and collecting your luggage, meet your driver in the arrivals area for your ½ hour transfer to the Vinkeveen Le Boat Base to pick-up your boat at 4pm.

Once all relevant paperwork has been completed, you will be taken to your boat where you will be shown how everything on the boat works from the heating, hot water to the gas oven and kitchen appliances. You will also be given a boat handling demonstration so that you and the other guests are able to take the boat out

on the water and practice steering and manoeuvring under the guidance and supervision of one of Le Boat team.

There are a variety of routes you can choose depending on what your main interests are. The canals meander through large towns and cities with shops, pubs and museums.

For example, this 7 Night Dutch Capitals Itinerary will allow you to immerse yourself into some of the most historic & dynamic cities of Holland like Amsterdam, Utrecht or Den Haag through typical Dutch villages like Delft. On the way you'll also admire the flowered fields near Lisse and Leiden and taste the famous cheese of Gouda at the traditional cheese market there.

Utrecht is Holland's fourth city and the old section has many attractions. The famous medieval church, St. Martin's Cathedral, is half of its former self as a result

of the terrible hurricane of 1674. Canals, lined with terraces and greenery, give the city its charm; it's a nice place for a leisurely walk.

So long as you return your boat to your end base by the date you have booked – you are free to enjoy your cruise however you like. For a comfortable pace, allow some time to regularly stop and explore" We recommend an average of 2 - 4 hours cruising each day.
