A Perfect Combo – Papeete and Bora Bora - 11 days / 10 nights

called 'ori Tahiti, or visit a contemporary art exhibition, an unusual play, a traditional or modern concert. Tahiti – and especially Papeete – provide the opportunity to discover artistic expression of all kinds.

As you travel throughout the island, Tahiti slowly unveils its beauty. It can be explored in many ways: black sand beaches on the East coast, white sand beaches on the West coast, diving, beginner's and legendary surf spots, mountainous peaks within desert lush valleys or the historic site of Papeete's colorful market and, oh, so much more.

Bora Bora

Undoubtedly the most celebrated island in the South Pacific, Bora Bora is French Polynesia's leading lady. Her beauty is unrivaled and her fame, unwavering. Bora Bora is one of the few places on earth that everyone hopes to witness in their lifetime—and once you see it, you are forever enamored.

Be as active or inactive as you wish to be. Should you decide to venture away from the resort, you can visit the main village of Vaitape and shop at the local boutiques or dine at one of Bora Bora's restaurants including the legendary Bloody Mary's. You can also explore Mount Pahia and Mount Otemanu on a guided hike or Jeep Safari tour. Since water is a way of life on the island, popular lagoon excursions include snorkeling, diving, cruising, fishing, paddle boarding, kitesurfing, Jet Skiing, and of course, shark and ray feeding. You can also take your experience to new heights by parasailing, skydiving, or touring the island by seaplane.
