The Beauty of Kintamani

8hrs (SUN, MON, WED, FRI - seat in coach)

Bali is famous for its traditional dances. One of them is the famous Barong & Keris Dance telling a story from the ancient Ramayana Epic. Your first stop is to enjoy the beauty and gracefulness of the skillful Balinese dancers. The dance expresses the eternal fight between good and evil spirits and ends with the magical Keris (dagger) dance. Then proceed to the Village of Kemenuh to visit the talented Balinese woodcarving artists in their traditional workshops. You will see how they carve beautiful statues and works of art from a single block of wood. The journey then continues to Kintamani to view the breathtaking Lake Batur and the active volcano called Mount Batur (1,730 meters). Your next destination is Tampaksiring, 'The Fountain of Youth' and Holy Spring.

The Eastern Bali Mystic

9hrs (TUE, THU, SAT - seat in coach)

In the village of Batu Bulan you will be introduced to the fine art of Batik painting. After this interesting visit, proceed to the eastern part of Bali, which is dominated by the towering Mount Agung (3,142 meters). It is Bali's most sacred and highest volcano. Built on one of the volcano's slopes, the Besakih Temple Complex is the most important and sacred temple for the Balinese Hindu community. For this reason it is known as the "Mother Temple". At Bukit Jambul, stop for a refreshing view over the beautiful valley and the opportunity for lunch. On your way through the east of Bali you will discover the traditional village of Penglipuran, unique for its different social community structure and layout, which dates back to the 16th century. On the return pay a visit to the Hall of Justice called "Kerta Gosa" in Klungkung, the former capital of Bali. *NOTE: We recommend that you bring along a sarong to wear at the Besakih Temple.*

Oleh Oleh Shopping Tour 5hrs (TUE, THU, SAT - seat in coach)

Bali is a shopper's paradise. If you want to go shopping at all the right places in Bali, then this tour is your way to do it. Look for some authentic handcrafted souvenirs in the places they are actually made.

Batubulan Village is renowned for its stone carving art. The most famous silver and gold craftsmen are found in Celuk Village, while in Ubud you will find many paintings, both in traditional and modern style. Drop into one of the many galleries and take a stroll around the city's art market.

Afterward, watch the famous Kecak & Fire Dance, where a group of male dancers will enchant you with an almost hypnotic, trance-like performance.

Important: March 22, 2023 is Silent Day (Nyepi): The island of Bali turns off all lights and sounds, no cars on the road. Tourists must remain on hotel property while complete silence reigns over the island. The airports are closed.
