BULA!

When you visit Fiji, you'll hear that a lot. It's more than just a greeting, it's the spirit of the country. With 333 islands, white sand beaches and year-round tropical warmth, Fiji has something for everyone. This package offers you 3 different areas of Fiji to explore.

Nadi is your gateway to all the fun of Fiji. It's home to Fiji's main international airport which is on Fiji's largest island, Viti Levu. This culturally eclectic, tourist-friendly city is a great place to kick off your Fijian adventures.

After some quality beach time, check out the Sleeping Giant orchid gardens, Waqadra Botanical Gardens and the 'presidential village' of Viseisei, the site of the islands' first settlement.

Don't miss visiting the Sri Siva Subramaniya Swami Temple located at the southern end of the main road through Nadi. Take a launch transfer out to the Mamanuca Islands for your taste of the turquoise blue water and white sand beaches on Matamanoa Island and finally spend a night in bustling Port Denarau where the day and extended cruises depart from.

After clearing customs and collecting your luggage, you will be transferred to the Palms Denarau Hotel, your home for the next 3 nights.
