With superbly sunny weather, attractive beaches, a thriving nightlife and 7,000 years of intriguing history, there is a great deal to see and do in Malta.

The cooler temperatures in the winter are perfect for those who want to explore the island and its history on organized tours, or walking adventures on Gozo or the Malta coastal walk.

The Seashells Resort closed in November of 2021 for a complete refurbishment and has immersed as the AX Odycy in May 2023. All the rooms have been refurbished to a high standard which is reflected throughout the resort. The AX ODYCY has several food and beverage outlets offering limitless dining possibilities including crowd-pleasing eateries, family-friendly restaurants, exquisite fine dining, trendy rooftop bars, a convenient grab-and-go concept and à la carte options

The hotel is located along the Qawra promenade and close the tip of Qawra Point, where there's a historical watchtower that overlooks a small bay and rocky bathing area. Apart from being a swimming zone, Ta` Fra Ben beach is also a great spot for snorkelling enthusiasts.

The seaside promenade that runs alongside the coastal area of Qawra stretches over 3.5 kilometres past Bugibba and ends at the top of Xemxija Hill (which is part of St. Paul's Bay).
