Discover just a few of the many islands of Fiji on this 7-day Blue Lagoon Cruise. With only 32 cabins, the Fiji Princess can reach remote destinations that larger vessels can't. Sail to uninhabited tropical islands and anchor at exclusive private beaches. Your adventure begins with two nights on Port Denarau Island, connected to the mainland by a short causeway. Denarau is the vibrant hub of this small island, filled with shops selling local handicrafts and restaurants offering Indian, Fijian, Chinese, and European cuisine. If you're after nightlife, Denarau is the place to be. Then, it's time for peace and tranquility. Board your cruise ship on Friday and sail into paradise.
