LOCALLY ESCORTED - SMALL GROUP TOUR

BELUGAS, BEARS, AND BLOOMS

CHURCHILL, MANITOBA, 7 DAYS / 6 NIGHTS

Summer is a magical time on the Churchill River, where countless beluga whales gather in the warm, shallow waters to give birth and feed. Watch these “canaries of the sea” from a spacious tour boat or an intimate Zodiac ride as they display their playful and curious nature. On land, explore the vibrant tundra blooms along Hudson Bay, enjoy a dog carting excursion through the boreal forest with a professional musher, and venture into the Churchill Wildlife Management Area aboard a Tundra Buggy in search of northern wildlife. With luck, you may spot the first polar bears returning from the sea ice.
