TUNDRA BUGGY LODGE

TOWN & POLAR BEARS, 7 DAYS / 6 NIGHTS

The Tundra Buggy Lodge is seasonally positioned at Polar Bear Point in the Churchill Wildlife Management Area, home to the largest concentration of polar bears in the Churchill region. The Lodge offers a unique, immersive experience: at night, when conditions are right, you can watch the dance of the northern lights from the rooftop observation deck, and in the morning, wake up to curious polar bears just outside your window. Each day, you will be guided on a Tundra Buggy® excursion departing directly from your accommodations to explore the Churchill Wildlife Management Area and maximize polar bear viewing opportunities. Evenings at the Lodge are equally memorable, featuring delectable, regionally inspired dishes prepared by the private Lodge chef, along with time to swap stories with fellow guests. As a guest of the Tundra Buggy Lodge, you are also invited to attend exclusive evening presentations hosted by Polar Bears International species experts.
